

Efficient...Economical...Effective

TEN REASONS TO USE ONLINE TRAINING

10	Accurate and complete training records are maintained for audit purposes.
9	The training is delivered to the learner's desktop eliminating expensive travel.
8	The same consistent message is delivered to each learner.
7	It's more cost-effective than instructor-led training.
6	Frees up in-house experts to be mentors and coaches rather than classroom instructors.
5	Just open up a browser and go...when and where it is convenient.
4	It's green and good for the environment.
3	Available 24/7/365.
2	Train when the information is needed and not when the class is offered.
1	Training is self-directed and student-centered, resulting in better learning and retention.

BLENDED LEARNING: HOW TO GET THE MOST FROM ONLINE TRAINING

Our courses provide learners with terminology, tools and techniques. But, the big question is how does that transfer to the job?

To get the best results, we highly recommend a blended learning approach that combines online learning with hands-on workshops or coaching by your in-house experts that helps learners apply the training to their job.
